To whom it may concern,

We are writing to request any Consumer Product Safety (CPS) statements you may have for your product line. Please forward this e-mail to the appropriate individual at your company.

As the support agency for over 65 specialty toy retailers across the USA, we are compiling a list of CPS alerts so that our member stores can comply with the new federal legislation in labeling as required by the Consumer Product Safety Improvement Act (CPSIA).

If you would, please e-mail Specialty Toys Network with the following information for any of your products that are required to show a safety statement.

Product Name ____ Product SKU and/or UPC Code ____ Brand or Manufacturer Name ____ Safety Alert
